

EASTER CAMP RULES

There aren't many, but we want everyone to have a good weekend, so we DO stick to them:

- No alcohol, drugs or weapons
- Don't leave the Manfeild Site
- Don't interfere with other people's gear
- Unless you're married, no mixed tenting, no tenting with someone you are attracted to, and keep out of opposite sex's tents at all times
- No fires
- Stay in the stadium during main sessions
- Do as asked by Camp Crew at all times.
- If you break the rules you WILL be sent on your way home. If we need to send you home by bus/plane, you'll need to pay the bill (if you're under 18 we'll contact your folks first). We hope this doesn't happen but need to let you know!
